SECTION 1. TITLE, CREATION, AND ADOPTION

1.1 These regulations shall be known as the "Forest Park Zoning Regulations" and are adopted for the Forest Park Planning and Zoning District. The District having been created by resolution of the Board of County Commissioners of Dawson County, Montana, October 15, 1976 and as hereafter amended.

1.2 Pursuant to the provisions of MCA 76-2-104 Title 16, Chapter 41 Revised Codes of Montana 1947 there is hereby adopted a development pattern. The Development pattern shall consist of the Forest Park land use plan and the Forest Park Zoning Regulations.

1.3 Pursuant to .MCA 76-2-102 there has been created a Planning and Zoning Commission for the Forest Park Planning and Zoning District, which shall consist of three (3) County Commissioners, the County Clerk and Recorder, or the County Surveyor (should a County Surveyor be elected or appointed) and two citizen members residing in a different planning and zoning district and a county official appointed by the Commissioners.

1.3.1 The Planning and Zoning Commission shall have all the powers granted it by the laws of the State of Montana and by these regulations.

SECTION 2. PURPOSE

2.1 The purpose of these regulations is:

2.1.1 To promote the health, safety, and general welfare of the people of the Forest Park Planning and Zoning District.

2.1.2 To carry out the land use plan for the Forest Park Planning and Zoning District.

2.1.3 To avoid undue population concentration.

2.1.4 To preserve property values.

2.1.5 To preserve and maintain so far as possible the “single family, residential”, character of the area and promote the growth of the area commensurate with this character.

2.1.6 To promote businesses compatible with the residential character of the area.
SECTION 3. DEFINITIONS

3.1 For the purpose of these regulations, certain terms and words are hereby defined. Words used in the present tense shall also include the future, words or phrases used in the singular shall also include the plural, words in the plural shall also include the singular, the word “building” includes structure and “structure” includes building. The word “shall” is mandatory, the word “lot” shall include the word “plot”, “tract”, “piece”, and “parcel”.

Accessory Building - A subordinate building or structure on the same lot, or part of the main building, occupied or devoted to a use incidental to the main use.

Accessory Use – A use subordinate to the main use on a lot and incidental to the main use.

Alley – A minor public thoroughfare within a block upon which the rear of building lots generally abut, and which is not intended as a regular thoroughfare and is generally used for service purposes.

Boarding House – A house that is rented to two or more unrelated individuals.

Building Height - The vertical distance from the average elevation of the finished grade at front of the building to the roof elevation.

Building Line – A line parallel to the lot line drawn at the point nearest the closest point of the foundation or bottom edge of a structure which is used to measure the set-back requirements.

Building Site – That portion of the lot that can be occupied by structures excluding the required front, side, and rear yards, rear parking area.

Curb Cut – A cut in the curb line for passage of vehicles.

Dwelling - A building or portion thereof, designed or used for residential occupancy, including single family, duplex, multiple family, modular and manufactured homes and primarily intended for permanent occupancy.

Dwelling, Duplex – One building designed for or occupied by two (2) families living independently of each other.

Dwelling, Manufactured Home – A dwelling which is either wholly or in substantial part manufactured at an off-site location, is larger than two hundred fifty-six (256) square feet in area and over thirty-two (32) feet in length and over eight (8) feet wide, which is constructed on its own chassis with wheels and designed to be towed to its destination. This definition also includes two (2) units which may be constructed separately but are designed to be joined into one unit on site, commonly referred to as a double-wide. Manufactured homes
do not include mobile homes which is manufactured housing constructed prior to June 15, 1976 when HUD safety standards became effective

**Dwelling, Modular** – A factory built dwelling constructed off-site to meet a local or state building code and intended for placement on a permanent foundation. This dwelling may consist of several separate units or components that are intended to be joined as one unit on site.

**Dwelling, Multiple Family** – One building designed for or occupied by three (3) or more families.

**Dwelling, Single Family** – Any building structure designed with accommodations for occupancy by only one (1) family.

**Family** - Any individual, or two or more persons related by blood, marriage, or adoption.

**Floor Area** - The gross floor area within the exterior walls of a building excluding basements and garages.

**Foundation, permanent** - a basement, or crawlspace consisting of poured concrete, reinforced cement block, or reinforced mortared stonework; or a poured concrete slab.

**Garage, private.** - An accessory building or portion of a main residential building used primarily for the storage of private passenger motor vehicles, or other private transportation vehicles.

**Garage, public.** – A building or structure used primarily for temporary parking of vehicles.

**Home Occupation** – Any occupation or business carried on in a residence or its accessory buildings by one or more members of the family and which is clearly incidental and secondary to the use for residential purposes.

**Lot (parcel plot piece, tract)** - Land held as an individual unit of undivided ownership shown on the most recent plat or other record of subdivision.

**Lot, Corner** – A lot located at the intersection of two (2) streets bounded on two contiguous sides by a street or road.

**Lot Coverage** - The total area of a lot covered by the principal and accessory buildings.

**Lot, Interior** – A lot other than a corner lot.

**Lot Lines** – The lines bordering a lot as described in the deed or other record of conveyance, or street right-of-way line in the case of road easements.
**Lot, Through** – An interior lot having frontage on two streets which are parallel or nearly so.

**Manufactured/Modular Homes** – See Dwelling – Manufacturing Homes. Modular Home – See, Dwelling, Modular Home.

Nursing Home/Adult Care Facility – A long term care facility which provides nursing and/or assisted living for health related services on a 24-hour basis.

**Parking, Off Street** – A space located on site, off any public/private right of way and with access to a public/private street or alley intended for parking of a motor vehicle, measuring at least 9 x 18 feet and including any maneuvering room and space needed for entrance and exit from the vehicle.

**Setback** – The minimum horizontal distance required between any structure and lot line. This distance is measured from the point of the foundation or bottom edge of the structure which is nearest to the lot line.

**Sign** – Any face of any lettered or pictorial device and/or structure designed to inform or attract attentions.

**Story** – That portion of building included between the surface of a floor and the ceiling next above it.

**Story, Half** – A story under a gable, hip or gambrel roof, the wall plates of which on at least opposite exterior walls, are not more than two (2) feet above the floor of such story.

**Street** – A public thoroughfare minimum thirty (30) feet or more in width.

**Street, Front** – A street on which the lots of a subdivision or a city block generally front.

**Street, Side** – A street intersecting a front street.

**Structure** – Anything which is constructed or erected, the use of which requires a more or less permanent location on the ground or attachment to something having a permanent location on the ground.

**Use** – Any purpose for which any tract of land or building or other structure is designed, arranged, intended, maintained, or occupied; or any activity, occupation, business or operation carried on or intended to be carried on or in a building or other structure or on a tract of land.

**Use, Permitted** – Those uses allowed in a specific district as a matter of right listed in to the district regulations.
Use, Administrative Conditional - A use which is not allowed as a matter of right but which may be permitted upon a determination by the Zoning Administrator that the use is compliant with the intent of these regulations and any impacts above those typical of a permitted use can be fully mitigated.

Use, Conditional – A use which is not allowed in a district as a matter of right but which is permitted upon a finding of the Commissioners that the use are in harmony with the principal permitted uses of that district. Allowable conditional uses are specifically listed under each district regulations. Uses not so listed shall not be allowed as conditional uses.

Use, Nonconforming - Any use of land or buildings that lawfully exists, which, after the passage of these regulations or any amendment thereto, does not conform to the regulations of the district in which it is located.

Variance – The relaxation of the terms of the zoning regulations that will not be contrary to the public interest and where, owing to conditions peculiar to the property and not the result of the action of the applicant, a literal enforcement of the regulations would result unnecessary and undue hardship.

Yard – An open space on the same lot with the building, unoccupied or unobstructed by any portion of a structure excluding steps, decks, porches, and eaves from the ground upward.

Yard, Front – A yard extending across full width of the lot between the front building line and front lot.

Yard, Rear – A yard extending across the full width of the lot between the rear building line and rear lot line.

Yard, Side – A yard extending the full depth of the lot between the building line and the side lot line.

SECTION 4. DISTRICT BOUNDARIES AND ZONING MAP

4.1 The Forest Park Planning and Zoning District is described by that certain map entitled: ‘FOREST PARK PLANNING AND ZONING DISTRICT MAP’ dated insert date of adoption and recorded in the Dawson County Clerk and Recorder’s Office and as thereafter amended. This map and all notations thereon are certified to be and are hereby declared to be Section 4.5 of these regulations and is the official map for the Forest Park Planning and Zoning District

4.2 These regulations and the official map establish various districts within Forest Park Planning and Zoning District within some, all or none of which it shall be lawful to erect, construct, or alter buildings or structures; or to carry on certain trades, business or occupations, or to conduct certain uses of buildings or land, and within which the height of future buildings shall be limited; within which certain spaces shall be required about future building and consisting further of appropriate regulations to be enforced in such districts as set forth in these regulations.
4.3 Types of Districts – There are hereby established the following districts with the following designations:
   Residential, R-FP
   Manufactured Home Residential, MF-FP
   General Commercial, GC-FP

4.4 Interpretation of Boundaries – Where exists as to boundaries of zones shown on the official map, the following rules shall apply:

4.4.1 Where boundaries are indicated as approximately following center line of streets, highways, roads, or alleys or right-of-way lines, they shall be constructed to be such boundaries.

4.4.2 Where boundaries are so indicated as approximately following lot lines, such lines shall be constructed to be such boundaries.

4.4.3 Where boundaries are so indicated that they are approximately parallel to the center line or right-of-way lines of highways, streets, or roads such boundaries shall be constructed as being parallel and at such distance as indicated on the zoning map. If no distance is given, dimensions shall be by the scale of the map.

4.5 Official Map – A copy of the official map shall be available in the planning office and shall bear a certificate with the signature of the Chairman of the County Commissioners with the signature attested by the County Clerk and Recorder.

4.6 Unofficial Map – A copy of the map will be included with the text of these regulations but if a discrepancy exists between that map and the official map the official map will regulate.

SECTION 5. APPLICATION OF REGULATIONS

5.1 Except as hereafter provided:

5.1.1 No building or land shall hereafter be occupied or used and no building or part thereof shall be erected, moved or altered unless in conformity with the regulations for the district in which it is located.

5.1.2 No building shall hereafter be erected or altered to exceed the height, to accommodate or house a greater number of families, or to have narrower or smaller front yards, side yards and rear yards.

5.1.3 No land shall hereafter be subdivided to create a lot or lots which are not in conformity with the minimum sizes and dimensions contained in these regulations.
5.2 No part of a yard or other open space around any building as required for the purpose of complying with the provisions of these regulations shall be included as a part of a yard or other open space similarly required for another building.

SECTION 6. INTERPRETATION

Interpretation and Construction. In interpreting and applying the provisions of these regulations, they shall be held to be the minimum requirements for the promotion of the public health, safety, morals, order, convenience, happiness, prosperity, and general welfare. It is not intended by these regulations to interfere with, or abrogate or annul any easements, covenants, or other agreements between parties; provided, however, that wherever these regulations are at variance with other regulations, laws, ordinances, rules, or permits or by easements, covenants, or agreements, the more restrictive or those imposing higher standards, shall govern.

SECTION 7. RESIDENTIAL DISTRICT

7.1 Permitted Uses - No building or premises shall be used, constructed, or structurally altered except for one of the following use:

7.1.1 Single family residences
7.1.2 Accessory Buildings
7.1.3 Community gardens
7.1.4 Parks
7.1.5 Signs (see general provisions)
7.1.6 Facilities necessary for public and private utilities including but not limited to: water, sewer, electrical, natural gas and telephone.
7.1.7 Temporary buildings, waste receptacles, portable toilets for construction and following construction for a period not to exceed thirty (30) days.
7.1.8 Portable storage containers for self-loading in the event of a move out/move in for a period not to exceed fourteen (14) days.
7.1.9 Manufactured/modular homes built on a permanent foundation.

7.2 Administrative Conditional Uses – the following uses will be allowed if a determination is made by the Zoning Administrator that the use is compliant with the intent of these regulations and any impacts above those typical of a permitted use can be fully mitigated.

7.2.1 Home Occupations

7.2.1.1 No employees of any person outside of the immediate family shall be allowed.

7.2.1.2 The use may not occupy more than 1/4 of the gross floor area of the residence.
7.2.1.3 The use may also be allowed to occur in a garage if the use does not displace required parking spaces.

7.2.1.4 No outdoor storage of materials or products is allowed and the use shall not create offensive noise, dust, smoke, odors, heat, vibrations, or glare.

7.2.1.5 Identification signs shall be limited to unlighted signs of not more than eight (8) square feet and shall be attached to the main building or garage.

7.2.1.6 The activity must be clearly incidental and secondary to the use of the building for residential purposes and shall maintain the appearance and character of the structures as residential.

7.2.1.7 The administrator may require adequate parking or place limits on the hours of operation or otherwise condition the use such that it maintains the residential character of the home in which the use is allowed.

7.3 Conditional uses – The following uses are permitted in the Residential District only after the Board of County Commissioners have made a finding of fact that the use is in harmony with principal permitted uses and is not detrimental to the health, safety, peace, morals, comfort and welfare of the neighborhood and that any impacts above those typical of a permitted use can be fully mitigated.

7.3.1 Duplexes
7.3.2 Multiple family dwellings
7.3.3 Churches and schools
7.3.4 Libraries and museums
7.3.5 Police and fire stations
7.3.6 Nursing Homes/Adult Care Facility

7.4 Building Height Limit

7.4.1 No dwelling hereafter or structurally altered shall exceed two and one-half (2 ½) stories or thirty-five (35) feet in height.

7.4.2 No other structure hereafter erected or structurally altered shall exceed two and one half (2 ½) stories or thirty-five (35) feet in height (except as provided for in the General Provisions Section 10.6).

7.5 Minimum Lot Area

7.5.1 A lot upon which there is erected a single family dwelling shall contain no less than 7200 square feet.

7.5.2 A lot upon which there is erected a duplex or multiple family dwelling shall contain not less than 3600 square feet per dwelling unit.
7.5.3 A lot, which at the date of the passage of these regulations contains less than 7200 square feet will be considered a legally conforming lot for the purposes of erecting a single family dwelling.

7.6 Minimum Lot Frontage.

7.6.1 There shall a minimum lot frontage of sixty (60) feet for each single family dwelling and thirty (30) feet per each dwelling unit for duplexes or multiple family dwellings.

7.6.2 For all other permitted uses the lot frontage shall be sufficient to accommodate the use plus the required side yards.

7.7 Setbacks

7.7.1 Front - Not less than twenty (20) feet.
7.7.2 Back - Twenty five (25) feet.
7.7.3 Side - Five (5) feet except for corner lots where there shall be a yard requirement of twenty (20) feet.
7.7.4 Setbacks for accessory structures - There shall be a rear yard building set back of not less than five (5) feet and for every accessory building except for detached garages where the vehicle entrance faces the alley. Such garages shall be set back from the rear property line fourteen (14) feet. (see Appendix A diagram)
7.7.5 Corner lots – See additional requirements in Section 9.3, Sight Triangle.

7.8 Parking - See Section 9.10, Parking Requirements.

SECTION 8. MANUFACTURED HOME DISTRICT

8.1 Permitted Uses - No building or premises shall be used, constructed, or structurally altered except for one of the following uses:

8.1.8 All uses as permitted in the Residential District
8.1.9 Single and double wide Manufactured homes
8.1.10 Administrative Conditional Uses – All administrative conditional uses allowed in the Residential District
8.1.11 Conditional Uses – All conditional uses as permitted in the Residential District

8.2 Building Height Limit – Same restrictions as the Residential District.

8.3 Minimum Lot Area

8.3.8 The same requirements as the Residential District except for manufactured housing.
8.3.9 4,800 square feet for manufactured housing.
8.4 Minimum Lot Frontage

8.4.8 The same requirements as the Residential District except for manufactured housing.

8.4.9 There shall be a lot frontage of the width of the manufactured unit plus the side yard setback distance on either side.

8.5 Setbacks

8.5.8 Same restrictions as the Residential District except for manufactured homes.

8.5.9 For lots upon which are placed Manufactured homes the following yard building setback distance shall apply:

8.5.9.1 Front yard-20 feet
8.5.9.2 Rear yard-20 feet
8.5.9.3 Side yard-10 feet

8.6 Parking - See Section 9.10, Parking Requirements.

SECTION 9. COMMERCIAL DISTRICT

9.1 Intent. It is the intent of the commercial district to provide for retail, office, or service uses that access on or close to the highway and that do not have impacts that detract from the residential character of the adjacent residential zones.

9.2 Permitted Uses – No building or premises shall be used, constructed or structurally altered except for one of the following uses.

9.2.8 Offices, banks, stores for retail trade, (personal service shops), restaurants, studios, business and vocational schools and in general, buildings for the transaction of business of a retail nature

9.2.9 Recreation and amusement such as bowling alleys.

9.2.10 Bus stations, public utility offices, taxi cab stands.

9.2.11 Public buildings, assembly halls or auditoriums provided that adequate parking can be accommodated on site.

9.2.12 Small bakeries, printing shops, frozen food locker plants, plumbing and electrical shops and other similar small trades generally associated with retail trade.

9.2.13 Parking lots and garages for parking and temporary storage of motor vehicles. For purposes of this use, temporary storage shall mean vehicles stored for less than 48 hours.

9.2.14 Fleet storage, provided there is no permanent outdoor storage of vehicles, and associated fuel tanks provided that they are located at least 100 feet from the nearest residential structure.
9.2.15 Second hand and auction businesses when completely enclosed in a building.
9.2.16 Personal storage/shops with no outdoor storage.
9.2.17 Signs. (see general provisions)
9.2.18 Accessory uses customarily incidental to any of the above uses when located on the same lot.

9.3 Administrative Conditional Uses – the following uses will be allowed if a determination is made by the Zoning Administrator that the use is compliant with the intent of these regulations and any impacts above those typical of a permitted use can be fully mitigated.

9.3.8 Nursing Homes/Adult Care Facility, provided that adequate on-site parking is provided.
9.3.9 Fleet Storage of motor pool vehicles where the vehicles are either sedans or pickups. The number may be restricted and the location of fleet vehicles may be controlled in order to prevent conflict with adjacent residential use.
9.3.10 Reasonable accommodation of overflow parking from nearby residential uses for vehicles, recreational vehicles, and boats provided that such vehicles, recreational vehicles, or boats have current licenses, do not exceed 20 feet in length and are stored in an orderly manner. For purposes of this regulation, nearby residential use shall be defined as the block immediately adjacent to the property proposing to accept such storage.
9.3.11 Occasional storage of trailers for non-profits provided that it can be demonstrate that the use is related to the non-profit function and will not be the predominant use of the open space on site. Number, size, and location may be restricted to prevent conflict with adjacent residential use.

9.4 Conditional Uses – The following uses are permitted in the Commercial District only after the Board of County Commissioners have made a finding of fact that the use is in harmony with the principal permitted uses and are not detrimental to the health, safety, peace, morals, comfort and general welfare of the neighborhood.

9.4.8 Construction company warehouses provided that any outdoor storage has adequate screening along the lot line that is adjacent to the residential use. Adjacent shall include those properties divided by an alley or street. Screening can include fencing, landscaping or other means as approved at the time of the hearing.
9.4.9 Fleet storage with outdoor storage of vehicles, provided that adequate screening is provided along the lot line that is adjacent to the residential use. Adjacent shall include those properties divided by an alley or a street. Screening can include fencing, landscaping or other means as approved at the time of the hearing.
9.4.10 Storage of light duty agricultural equipment related to the business or governmental use and limited heavy truck trailers for non-profits/governmental
agencies provided that adequate separation and screening can be provided to separate such use from impacts to neighboring residential zones.

9.4.11

9.5 Building Height Limit – No building hereafter erected or structurally altered shall exceed forty-five (45) feet in height.

9.6 Minimum Lot Area. Every building erected hereafter shall be built on a lot of at least 5000 square feet.

9.7 Minimum Lot Frontage. There shall be a minimum lot frontage of fifty (50) feet.

9.8 Setbacks

9.8.8 Front 20 feet except lots 1-6 in Blocks 3-7 zero (0) feet

9.8.9 Side 10 feet

9.8.10 Rear 15 feet

9.8.11 Corner lots – see Section 9.3 Sight Triangle

9.9 Parking – See Section 10.10, Parking Requirements.

SECTION 10. GENERAL PROVISIONS

10.1 Open Space. Every part of a required yard shall be completely open and unobstructed from its lowest point to the sky, unobstructed except for ordinary projections of sills, belt courses, cornices, ornamental features, and eaves; provided that no projection shall project more than twelve (12) inches into the required yard. This does not include roof overhang. Porches, patios, and steps may project into the required side yard or rear yard.

10.1.8 Accessory Buildings. An accessory building shall not be closer to the main building than ten (10) feet unless it is made a portion of the main building, and shall not be closer than five (5) feet to any property line.

10.1.9 Sight Triangle. Corner lots in all zones shall not be permitted to have any fencing or other site obstruction which constitutes a hazard to traveling public within the area designated as the "clear-view triangle". This area can be determined by measuring eighty (80) feet from the center of the two (2) streets intersecting streets, along the centerlines of each street, then connecting the two (2) points with a straight line forming the hypotenuse of the “clear-view triangle”. Trees within the “clear-view triangle” shall have their branches removed at the trunk from ground level to a minimum of seven (7) feet above ground level, shrubs within “clear-view triangle” shall be maintained no higher than (3) feet above elevation of the centerline adjacent street. (See Appendix B diagram)

10.1.10

10.1.11 Trees. Any trees within the Forest Park District whose branches extend over any street or alley shall have those branches trimmed to the nine (9) foot level.
10.1.12 Fences. No fence over thirty-six (36) inches in height may be erected within the required front yard of any lot used for residential purposes. No residential fence shall exceed a height of six (6) feet without a written request to add an additional foot made to the planning department and given subsequent approval. Any residential fence shall be built such that it will be both durable and aesthetic.

10.1.13 The height limitations contained in any district regulations do not apply to spires, belfries, cupolas, chimneys, or antennas.

10.1.14 Storage of flammable or combustible liquids in outside or inside aboveground storage tanks is not allowed in the Forest Planning and Zoning District residential or manufactured home district except for propane tanks typically used for and attached to barbeques, recreational vehicles, or small outdoor propane heaters.

10.1.15 No structure shall be built, moved, or structurally altered until a Zoning Compliance Permit has been issued. Permits shall be issued only for uses in conformity with these regulations

10.1.16 Parking requirements.
  10.1.16.1 Intent – It is the intent of this section to set down provisions for off-street parking, to prevent congestion in the streets, to promote and protect property values, and to provide for the health, safety and welfare of the citizenry.

10.1.16.2 General Requirements, Parking

10.1.16.3 Required off street parking shall be provided according to Table 10.1.

10.1.17 Uses Not Specified – In the case of a use not specifically mentioned Table 8.10, the requirement for off-street parking facilities shall be determined by the Zoning Administrator. Such determination shall be based upon the requirements for a comparable use listed or other reasonable sources/studies for parking generation.

10.1.18 Off-street parking may be provided by either attached or detached garages or carports. In addition, it may be provided by driveways and other uncovered parking spaces measuring at least 9 x 18 feet and including any maneuvering room and space needed for entrance and exit from the vehicle.

10.1.19 Off-street parking facilities shall be located on the same lot as the building they are serving unless otherwise approved through an administrative conditional use or a conditional use permit.

10.1.20 Parking for Expansion and Enlargement – Whenever any building other than residential is enlarged in height or ground coverage, off-street parking shall be provided for said expansion or enlargement in accordance with the requirements of the schedule, provided, however, that no parking space need be provided in the case of enlargement or expansion where the number of parking spaces required for such expansion or enlargement is less than ten percent (10%) of the parking spaces specified in the schedule for the building. In the case additional units are added to an existing residential use, off-street parking shall be required for the additional unit/s. Nothing in the provision shall be construed to require off-street parking spaces for the portion of such building existing at the time of adoption of these regulations.

10.1.21 Joint Use – The Planning and Zoning Commission may authorize the joint use of parking facilities for the following uses or activities under conditions specified:
